

*Aspiring to improve the health, well-being and lives  
of those we care for*

## **Wem and Prees Medical Practice Mission Statement**

### **Our Mission**

**We're here to care for our patients and community with honesty, compassion, respect, teamwork, and clear communication. We work together to make a real difference to people's health and well-being, creating a place where both our patients feel valued and our team feels supported to do their best work.**

---

### **Our Vision**

**Aspiring to improve the health, well-being and lives we care for**

### **Our Values**

 **Honesty** - Being open and straightforward with patients and each other

 **Compassion** - Genuinely caring about each person who walks through our doors

 **Respect** - Treating everyone with dignity, no matter their background or circumstances

 **Teamwork** - Working together because patient care is a team effort

 **Communication** - Talking clearly and listening well to patients and colleagues

---

*This reflects what we're all about - caring for our community and supporting each other to do great work.*
